YOUR MEMORY IS GOOD

Do you think you have a poor memory? Wait a minute! What's your address? What's your telephone number? How old are you? See how easy it is to memorize things you want to?

IT TAKES PRACTICE!

You will only have a better memory by using the one you have, more and more, it just takes practice.

HOW TO MEMORIZE

- Learn the first part of a verse.
- When you know the first part well go on to the second part.
- Don't go to the third part, or the second verse, until you're able to say the first two. Always go back and repeat 4 or 5 verses before going on to the next verse.
- Each morning read a verse and repeat it during the day, by evening you'll have it memorized.
